According to AR 608-75, Exceptional Family Member Program, soldiers will provide accurate information as required when requested to do so by Army officials. Knowingly providing false information in this regard may be the basis for disciplinary or administrative action. For soldiers, refusal to provide information may preclude successful processing of an application for family travel or command sponsorship.

Commanders will take appropriate action against soldiers who knowingly provide false information, or who knowingly fail or refuse to enroll family members that meet the criteria for enrollment. (A false official statement is a violation of Article 107, Uniform Code of Military Justice (UCMJ).) These actions will include, at a minimum, a general officer letter of reprimand.
